**PARADE RULES AND REGULATIONS:**

1. Quota International of the Mississippi Gulf Coast is not liable for any accidents or damage caused to any property by participants in this parade.
2. All drivers must remain sober and in control of their vehicle.
3. The title of the float must be prominently displayed high and up front on both sides of the vehicle. Position numbers will be issued at the parade line-up.
4. Your unit will be assigned a number and a time of preferred arrival to facilitate a smooth lineup. ***All units must arrive at the starting point no later than 12:30 PM on parade day. This parade will begin promptly! Units arriving late are not guaranteed placement in the parade.***
5. In order to be judged, all floats must conform to the theme (*Shenanigan's is an 11-letter word for fun!*) and remain in assigned position. The following awards will be announced at the end of the parade (winners will be notified):  
***“Vester Wentzell Spirit of Shenanigan’s” – Best Float: 1<sup>st</sup> Place & Honorable Mention Best Marching Unit – 1<sup>st</sup> Place only***
6. Vehicles pulling floats must be in good running condition and with an ample supply of fuel to avoid delays in the progress of the parade.
7. All units must stay 20 feet back from the unit ahead of them. Please keep moving when the unit preceding you is moving. There will be a short delay during the Grand Marshal/Colleen toast at the Reviewing Stand.
8. Float riders are requested to throw trinkets away from the float toward the rear to the spectators so as to discourage people from getting too close to the float.
9. In the event of dangerous storm conditions, the parade may be postponed until the following Sunday. This decision will be made at the sole discretion of the parade committee. Ordinary rainfall will not cause the parade to be postponed.

**SAFETY REQUIREMENTS**

All float entries must have constructed sides or skirts covering the wheels of the float. These skirts or sides are to extend down to a minimum of 15 inches above the ground. Float shall be no higher than 15 feet. All floats must carry a fire extinguisher and safety chains for towing.

I understand all of the preceding rules and safety requirements of the Gulfport Shenanigan’s St. Patrick’s Day Parade and agree to be responsible for enforcing them for my parade entry:
